We are pleased to announce the nominees for the 2024 Covenant Mission Awards!

This year, we are excited to announce 71 individual and team nominees -- 19 phenomenal teams and 52 remarkable individuals – who bring our mission, vision and values to life across the organization. Their stories outline their commitment to our values of Compassion, Respect, Collaboration, Social Justice, Stewardship, and Integrity, nominated by their peers for embodying these values in their daily work.

These nominees represent our Mission in action and immeasurable efforts from across the organization that make a difference every single day. This is the time to celebrate these individuals and recognize the amazing work they do that sets Covenant apart.

As we share the stories of this year's nominees, we also extend a heartfelt thank you to everyone who played a part in this year's nominations, especially our site champions and those who took the time to nominate their peer(s). Your dedication ensures our mission shines brighter with each passing year.
